TurnKey

For more than 25 years, FHLBank Topeka has set aside funds annually, within the Affordable Housing Program (AHP), to provide down payment and closing cost assistance to very low-, low- and moderate-income first-time homebuyers.

As part of our commitment to continue making housing accessible and affordable in our district, we would like to introduce you to TurnKey, our suite of programs designed to provide assistance to address the challenges of attaining homeownership in Colorado, Kansas, Nebraska and Oklahoma. Through our TurnKey programs, we support the dream of homeownership and partner with our members to build communities and change lives. The TurnKey suite of products includes the Homeownership Set-aside Program, the Homeownership Set-aside Program Plus and Homeownership Possibilities Expanded.

The programs are offered in partnership with FHLBank members – members work with qualified homebuyers, submit required documents to FHLBank, advance the grant funds at closing and request reimbursement of the funds after closing. The subsidies are provided to households as a forgivable grant with a five-year retention period.

TURNKEY PROGRAM DESCRIPTIONS

HOMEOWNERSHIP SET-ASIDE PROGRAM

The Homeownership Set-aside Program (HSP) provides down payment, closing cost and repair assistance to first-time homebuyers earning at or below 80% of the Area Median Income (AMI) for households purchasing homes, to be used as their primary residence, in our four-state district. The TurnKey User Guide for HSP/HSP+ can be accessed on the TurnKey website, www.fhlbtpeka.com/turnkey.com.

HOMEOWNERSHIP SET-ASIDE PROGRAM PLUS

The Homeownership Set-aside Program Plus (HSP+) provides down payment, closing cost and repair assistance to first-time homebuyers earning at or below 80% AMI for households purchasing homes, to be used as their primary residence, in High-Cost Areas and non-metropolitan counties located in Difficult Development Areas within our four-state district. The TurnKey User Guide for HSP/HSP+ can be accessed on the TurnKey website.

HOMEOWNERSHIP POSSIBILITIES EXPANDED

The Homeownership Possibilities Expanded (HOPE) provides access to the “missing middle” or homebuyers that do not traditionally receive support but need assistance with down payment, closing costs and repair assistance. HOPE is NOT limited to first-time homebuyers and household income must be at or below 150% of the AMI for households purchasing homes, to be used as their primary residence, in our four-state district. HOPE funding is a portion of FHLBank’s voluntary commitment of 5% above the regulatory contribution of 10% of the previous year’s earnings.

Homeownership Possibilities Expanded Details

FUNDING

FHLBank is allocating 5% of its net earnings from the prior year for Voluntary Programs in 2025. HOPE will receive 20% of the Voluntary Program allocation. The total HOPE allocation is announced after FHLBank Topeka's prior year financials are made public, typically towards the end of February.

HOPE funds will be made available in increments starting March 3, 2025. One-fourth (1/4th) of the total annual funding will be released on each of the following dates: March 3, April 1, May 1 and June 2.

Using the 2024 HOPE total allocation of \$4,116,445.77, below is an example of how the 2025 HOPE allocation will be released.

Date	HOPE Funds Released
March 3, 2025	\$1,029,111.45
April 1, 2025	\$1,029,111.44
May 1, 2025	\$1,029,111.44
June 2, 2025	\$1,029,111.44

SUBSIDY PER HOUSEHOLD

The HOPE minimum subsidy is \$2,500 per qualified household and the maximum subsidy is \$12,500 per qualified household.

It is the member's decision how much subsidy to provide to each household. FHLBank does not have a formula or scale based on household income or purchase price to determine subsidy per household. Funding for HOPE is available on a first-come, first-served basis subject to the Member Limit and availability of funds.

MEMBER LIMIT

Members may reserve up to \$37,500 in reservations per member, per month beginning March 3, 2025 and the first business day of each month thereafter.

Members may access the current month's limit plus the unused portion of the previous months' limits if funds are available. Members are neither allocated nor guaranteed the member limit(s) in reservations per month. Members may participate in all TurnKey programs concurrently; however, the member limit for all programs are separate and cannot be combined or transferred. The limit(s) are increased by 9:00 a.m. on the first business day of each month during the HOPE funding period. Reserving funds in excess of the member limit is not allowed unless the limit is increased or eliminated by FHLBank.

Housing and Community Development (HCD) management will evaluate funds remaining after July 1, to determine whether to continue, discontinue or change the individual member funding limit. FHLBank will announce changes to member limits.

FYI

The Member Limit is based on the amount of funds **reserved** by the member in HSP Online during the month.

The loan closing date and number of loan closings per month does not have any impact on the Member Limit.

The total disbursement requests submitted via HSP Online per month does not affect the Member Limit.

HSP Online will not allow members to reserve funds once they have reached their limit.

Withdrawn, ineligible and expired reservations are subtracted from the limit.

2025 KEY CHANGES

1. All reserved funds must be disbursed to the member on or before May 1, 2026 or FHLBank will withdraw the reservation.
2. The annual funding will be released in increments of 1/4th starting March 3, over a four-month period.
3. The member monthly limit is reduced to \$37,500 per member, per month.
4. Funds will not be reserved for the household until the reservation is **submitted** in HSP Online.
5. If non-occupying co-signer and/or guarantor income is used to qualify the household for the loan, the household is not eligible for HOPE.
6. Guarantor definition was added to the 2025 Targeted Community Lending Plan and this guide. See the [Terms](#) section.
7. In the instance funds held in escrow for repairs are unused, documentation must be provided showing the unused funds were applied as a principal reduction to the loan or the unused funds are being held in escrow to be applied as future payments.
8. Authorized users marked as contacts for the reservation will no longer receive an email prior to a household being deemed ineligible, asking for their agreement with the ineligible determination. Instead, Authorized Users will now receive an automated email from HSP Online when the household is deemed ineligible, detailing the reason(s) for ineligibility and informing them that funds are no longer reserved for the household.
9. HCD will not respond to reservation/disbursement status inquires. Please allow 30 days for eligibility determinations. For more information review the [Authorized Users](#) and [Turn Times](#) sections of this guide.
10. If the household currently owns a primary residence, the residence must be sold or rented to be eligible for HOPE funds. A copy of the signed and executed purchase agreement or rental agreement must be provided at reservation submission.
11. Following a refinance or obtaining a home equity loan, FHLBank will subordinate to the new first mortgage or home equity loan.
12. The obligation to repay HOPE subsidy shall terminate after any event of foreclosure, transfer by deed-in-lieu of foreclosure, an assignment of a Federal Housing Administration first mortgage to HUD, or death of the HOPE-assisted homeowner.

HSP ONLINE

HSP Online is FHLBank Topeka's online, automated system through which members submit and FHLBank reviews and processes TurnKey (HSP, HSP+ and HOPE) reservation and disbursement requests. FHLBank **will not** review reservation or disbursement requests that are not submitted through HSP Online. Designated Authorized Users have access to HSP Online.

ACCESS TO HSP ONLINE

To gain access to HSP Online, member contacts must be designated as Authorized Users and assigned the AHP/HSP Role in Members Only by their institution's Members Only Member Administrators.

Contact HCD at TurnKey@fhlbtopeka.com or 1.866.571.8155 for additional information and instructions on how to become an Authorized User.

AUTHORIZED USERS

Authorized Users are individual(s) designated by their member institution to execute applications, agreements, reservation requests, disbursement requests, forms, and other documents and otherwise complete all activities required to participate in Affordable Housing Program (AHP) and TurnKey programs.

Members should limit the number of Authorized Users for their institution to a few individuals that can be subject matter experts, manage the TurnKey Programs for their institution and have the capacity to fulfill the responsibilities of an Authorized User. Authorized Users submitting TurnKey Reservations and Disbursements in HSP Online are responsible for:

- Directly interviewing households to determine program eligibility.
- Gathering all required documentation and information from households.
- Calculating household income per the AHP/TurnKey Income Calculation Guidelines.
- Certifying household eligibility in HSP Online.
- Managing communication between all stakeholders (household members, real estate agents, loan officers, title companies, etc.) and FHLBank.
- Reviewing documentation prior to the loan closing (Closing Disclosure, Homebuyer Education Certificate, Real Estate Retention Agreement, Repair Documentation, etc.) to ensure the transaction meets FHLBank guidelines.
- Reviewing documentation post-closing, prior to disbursement request submission, to ensure the documents are completed correctly. If corrections are required, Authorized User must contact HCD prior to making the corrections to ensure the method of correction is acceptable.

If the Authorized User is unable to directly interview the household, they must review backup documentation for all eligibility certifications. If the Authorized User does not have first-hand knowledge of the eligibility certifications required to submit a reservation in HSP Online, the Authorized User should not submit the reservation until they are able to acquire first-hand knowledge of household eligibility.

TURNKEY REGISTRATION

To participate in HOPE a TurnKey Member Registration Agreement (Registration Agreement) must be on file with FHLBank Topeka's Housing and Community Development Department (HCD). Members that completed a Registration Agreement in February 2024 or after, do not need to register again. The Registration Agreement is an evergreen agreement which allows members to participate in current and subsequent rounds without the requirement of registering annually. For questions about registration, email TurnKey@fhlbtopeka.com.

TurnKey down payment assistance programs are offered in partnership with FHLBank members. FHLBank does not work directly with homebuyers. Homebuyers inquiring about TurnKey programs should contact an FHLBank member to determine eligibility and apply. A list of participating members can be found in the Resources section of the TurnKey public website, www.fhlbtopeka.com/turnkey.

HOPE ELIGIBILITY

HSP Online requires the Authorized User to certify, through certifications on the Eligibility pages, the household meets the HOPE eligibility requirements. The Authorized User submitting the reservation or disbursement request should have first-hand knowledge the certifications are accurate. Refer to the TurnKey Eligibility Questionnaire on the TurnKey public website, www.fhlbtopeka.com/turnkey, for help determining a household's eligibility. Additionally, members are required to obtain and retain back-up documentation for each certification and to provide that documentation to FHLBank upon request. For more information regarding Authorized User's responsibilities, reference the [Authorized Users](#) section of this guide.

FHLBank reserves the right to request documentation to verify eligibility certifications at any time prior to and following reservation and disbursement request approval.

Household eligibility for HOPE subsidy is determined at the time of reservation submission. If a significant amount of time has lapsed between the household's pre-approval and executing a contract to purchase a home, the Authorized User must re-interview the household for HOPE eligibility. For example: A homebuyer is pre-approved for a home loan and the household determined to be eligible for HOPE subsidy several months prior to locating a home to purchase. When the homebuyer has an accepted contract to purchase a home, although the home loan pre-approval may still be active, the household's eligibility to receive HOPE subsidy may not. Eligibility for HOPE subsidy must be re-determined at this time due to the lapse in time between the eligibility determination and the location of the home to purchase.

NEED FOR SUBSIDY

Often, households meet the basic criteria for HOPE subsidy but have access to other sources of funds such as savings accounts, gift funds, other grants/forgivable loans, etc. Because HOPE subsidies are limited, we ask members to be selective in who they provide subsidy to, making households in the most need top priority.

In addition, a new guideline has been implemented for HOPE. If the household currently owns a primary residence, the residence must be sold or rented to be eligible for HOPE subsidy. A copy of the signed and executed purchase contract or rental agreement must be provided at reservation submission. HCD will make the final determination if the contract/agreement can be accepted and allows the household to qualify for HOPE subsidy. The contract/agreement must be made in good faith. See the [Eligibility Certifications](#) section in this guide for more information.

By documenting the household is either selling their primary residence or making it available to rent, FHLBank can ensure the HOPE subsidy is not contributing to the housing shortage. If the household's intent is to keep their primary residence without selling or renting or already has other sources of funds to help with the down payment and closing costs, they are most like not a good candidate for HOPE subsidy.

AFFORDABILITY

Non-occupying co-signers/guarantors are allowed to support households with minimal credit or the occasional household with undesirable credit. A new guideline has been implemented for all TurnKey programs that if a non-occupying co-signer/guarantor is added to the loan due to the household's inability to afford the payment, the household does not qualify for TurnKey subsidy and a reservation cannot be submitted for the household. The foundation of eligibility for TurnKey is household eligibility. If a non-occupying co-signer/guarantor's income is needed to make the payment affordable for loan approval, it is difficult to determine if all household income is accurately being disclosed. TurnKey's purpose is to promote affordability of homeownership, and FHLBank wants to ensure the subsidy is not used for a home purchase the household simply cannot afford. In addition, the HOPE front ratio guideline is 38%.

ELIGIBILITY CERTIFICATIONS

CURRENT PRIMARY RESIDENCE

I certify if the household owns a current primary residence, the residence will be sold or made available to rent and the executed purchase contract or rental agreement has been made in good faith.

If the household currently owns a primary residence, it must be sold or rented for the household to be eligible for HOPE subsidy.

- The purchase contract or rental agreement must be made in good faith.
- The purchase contract or rental agreement must be provided at reservation submission for HCD review. HCD will make the final determination if the contract/agreement is acceptable and allows the household to qualify for HOPE subsidy.
- If the household's current primary residence is being sold, the sale must take place prior to, or same day as the purchase (HOPE assisted) of the household's new residence.
- If the current primary residence is rented, the rental income must be disclosed as household income and included in the Income Calculation Workbook (ICW). Review the AHP/TurnKey Income Calculation Guide for detailed requirements. The guide can be found in the Resources section of the TurnKey public website, www.fhlbtopeka.com/turnkey.
- Other restrictions, not listed in this guide, may apply. Contact HCD at TurnKey@fhlbtopeka.com with questions.

NON-OCCUPYING CO-BORROWERS/CO-OWNERS/CO-SIGNERS/GUARANTORS

I certify there are NOT any non-occupying co-borrowers or co-owners associated with the first mortgage loan.

All borrowers, co-borrowers and co-owners must be household members of the property being purchased. **NON-OCCUPYING CO-BORROWERS AND NON-OCCUPYING CO-OWNERS ARE NOT ELIGIBLE FOR HOPE.**

The scenarios below provide additional clarity to the differences between co-borrowers, co-owners, and co-signers/guarantors. The scenarios presented are for illustrative purposes and are not intended to encompass every possible scenario. After reviewing the scenarios, contact HCD prior to submitting a reservation request if you are unsure under

Know the Difference:

Co-borrower: Individual(s) included on the deed, mortgage/deed of trust, and promissory note for a property in conjunction with another individual(s) and is liable for repayment of debt secured by the mortgage/deed of trust. **Non-occupying co-borrowers are NOT ELIGIBLE.**

Co-owner: Individual(s) included on the deed and/or mortgage/deed of trust for a property in conjunction with another individual(s). **Non-occupying co-owners are NOT ELIGIBLE.**

Co-signer/Guarantor: Individual(s) included on the promissory note and liable for repayment of debt for real estate but is not on the deed and/or mortgage/deed of trust for property. **Non-occupying co-signers/guarantors are eligible.**

which scenario a potential HOPE subsidy recipient corresponds.

- ❖ **Non-occupying Co-owner:** A homebuyer is married but does not live in the same home as his/her spouse, and the spouse will not be on the loan or be living in the home after closing. However, because the couple is not divorced, the non-occupying spouse is considered a non-occupying co-owner (and possibly a non-occupying co-borrower.) Non-occupying co-owners are not eligible, so the household is not eligible to receive the HOPE subsidy. If the couple is divorcing, the divorce must be legally final prior to reservation submission (removing any requirement for a non-occupying co-owner).
- ❖ **Non-occupying Co-borrower:** A homebuyer's parent will be signing the loan documents along with him/her and will be included on the mortgage/deed of trust or deed. The parent is considered a non-occupying co-borrower. Non-occupying co-borrowers are not eligible, so the household is not eligible to receive the HOPE grant.
- ❖ **Co-signer/Guarantor:** A homebuyer's parent will be signing a Promissory Note but will not be on the mortgage/deed of trust or deed. The parent is considered a co-signer/guarantor. The household is eligible to receive the HOPE grant, assuming the household meets all other eligibility requirements. However, if the non-occupying co-signer/guarantor's income is used to assist in qualifying the household for the home loan, the household is considered ineligible for HOPE subsidy.

FYI:

If, during preparation of the Closing Disclosure (CD), it is noted that the homebuyer will receive cash back before, after or at closing in an amount exceeding \$250.00, you can remedy this through:

- ✓ A principal reduction (must be shown on the CD). **Principal reductions are not allowed if the LTV is 80%.**
- ✓ Reducing the HOPE subsidy amount (must be shown on the CD).
- ✓ Reducing other sources of funds.

*Principal reductions should generally be for minimal amounts. If the cash back is a larger amount, FHLBank recommends restructuring the loan prior to the loan closing to allow for a larger down payment.

CASH BACK AT CLOSING

I certify the homebuyer will not receive cash back exceeding \$250.00 at any point in the purchase transaction.

Cash back to the homebuyer exceeding \$250.00 at any point in the purchase transaction, including after the loan has closed, is prohibited, regardless the amount of funds the homebuyer and other parties contributed to the transaction. If the homebuyer receives more than \$250.00 cash back:

- The amount equal to the cash received exceeding \$250.00 will be deducted from the member's reimbursement of grant funds. *(Collecting those funds from the homebuyer and revising the CD is not an option to resolve the issue.)*
- Cash back includes any funds (checks, credits, cash back) issued to the household, as documented on the CD or before, during or after the loan closing.
- Unused escrow funds may be returned to the homebuyer subject to the \$250 cash back limit. Unused escrow funds exceeding \$250 must be applied as a principal reduction of the mortgage loan or continued to be held in escrow to be applied as a credit toward the household's monthly payments on the mortgage loan. See [Repairs](#) section for more information.

HOUSEHOLD

I certify that all individuals who currently, or will, occupy the residence will be disclosed as household members in the Income Calculation Workbook (ICW).

- All individuals who currently or will live in the home must be identified and their income included to determine eligibility, even if they are not included on the home loan application.
- All children, borrowing adult occupants and non-borrowing adult occupants must be disclosed as household members. It is imperative the Authorized User interviews the household and asks who will be occupying the home. Given that the household is not aware of HOPE guidelines, it is the responsibility of the authorized user to ensure all occupants are disclosed appropriately.

REPAYMENT OF OTHER DEBT

I certify the subsidy will not be used for repayment of other debt as part of the home purchase.

Payment of non-housing-related costs (i.e., debt collections, credit cards, etc.), as part of the home purchase is prohibited, regardless the amount of funds the homebuyer and other parties contributed to the transaction. If the CD indicates there is payment of non-housing-related costs as part of the home purchase:

- The amount paid toward the non-housing related costs will be deducted from the member's reimbursement of HOPE subsidy. *(Collecting those funds from the homebuyer and revising the CD is not an option to resolve the issue.)*
- Gift funds, seller credits, and other types of funds associated with the transaction cannot be "assigned" to the payment of non-housing-related costs. For example, if a seller agrees to pay for the homebuyer's debt collection, the payoff of the debt collection must be shown as paid by the seller in the Seller-Paid Column of the CD. The payoff of the of the debt collection **cannot** be shown as paid by the homebuyer at closing in the Borrower-Paid Column of the CD with a seller credit applied toward the borrower's costs in Section L.

REFINANCING OF EXISTING LOANS

I certify the HOPE subsidy will not be used to refinance an existing loan.

HOPE subsidy may be used only for purchase transactions with permanent financing.

LOAN CLOSING

I certify the first mortgage loan will not close prior to a reservation status of "Reservation Request Eligible."

The first mortgage loan should close only after the reservation has been approved by FHLBank. Reservation approval is indicated by a reservation status of "Reservation Request Eligible" in HSP Online. In addition, all contacts (Authorized Users) associated with the reservation will receive email confirmation immediately following approval of the reservation by FHLBank.

HOMEBUYER NAME AND PROPERTY ADDRESS

I certify that the homebuyer name and property address identified at reservation will match the homebuyer name and property address for the disbursement request.

Reservations cannot be transferred to other homebuyers or other properties.

MORTGAGE INTEREST RATE

I certify all mortgage interest rates will be at or below the FHLBank maximum interest rates in effect as of the date of closing.

- FHLBank maximum interest rates are posted in the Resources section of the HOPE public website, www.fhlbtopeka.com/turnkey.
- FHLBank updates interest rates the first Friday of each quarter.

LENDER FEES AND DISCOUNT POINTS

I certify the lender fees and discount points for all mortgages will be at or below FHLBank's maximum in effect as of the date of closing.

- Lender fees paid by the homebuyer, including origination fees, shall not exceed 3.0 percent of the loan amount.
- Loan discount fees paid by the homebuyer shall not exceed 3.0 percent of the loan amount.
- Lender fees and loan discount fees are separate guidelines and calculated separately.

PROCESSING FEES

I certify that processing fees will not be charged by any entity for providing the HOPE subsidy to a household.

- Members or other entities may not charge a fee for processing and/or providing the HOPE subsidy to the household.

FRONT RATIO

I certify the Front Ratio (FR) is within FHLBank Topeka guidelines based on the current loan projections and provided income documentation.

- The FR may not exceed 38%.
- The FR is calculated using the sum of the monthly principal, interest (including subordinate mortgages), property taxes, property insurance, other housing-related fees (e.g., homeowner's association fees, flood insurance, private mortgage insurance, etc.) divided by the household's monthly income.
- The FR will be determined using FHLBank's qualifying income calculation.
- The FR will be reviewed at reservation and disbursement.
- If the FR is within guideline at reservation approval, but determined to exceed the guideline during disbursement review, the disbursement request will be deemed ineligible, and the grant funds will

not be reimbursed. To avoid this issue, recalculate the FR using the FHLBank qualifying income calculation (found on the Household Income Screen in HSP Online) prior to the loan closing. Ensure the correct, final figures (that could have changed since reservation approval) are used and included in the calculation, such as property taxes, property insurance, homeowner's association fees, etc.

- If the FR exceeds the program guideline when the reservation is initiated, HSP Online will not allow the reservation to be submitted.

LOAN TO VALUE RATIO

I certify the Loan to Value (LTV) is within FHLBank Topeka guidelines based on the current loan projections.

- The LTV may not be less than 80%.
- The LTV is calculated by using the first mortgage loan amount divided by the purchase price of the property.
- The LTV will be reviewed at reservation and disbursement.
- Principal reductions are not allowed if the LTV is 80%.

HOUSEHOLD INCOME ELIGIBILITY

Member certifies, at the time of reservation, the Income Calculation Workbook accurately represents income from **all** household members. FHLBank reserves the right to request supporting documentation to verify any or all income calculations and member certifications.

Household: Includes **all** the individuals who currently, or will, occupy the house or residence.

All household members must be disclosed, including non-borrowing adults and minor children.

Co-borrowers and co-owners must occupy the residence and their income must be included to determine eligibility. If a co-borrower or co-owner will not occupy the residence, the household is ineligible to receive HOPE subsidy.

If a non-occupying co-signer/guarantor's income is used to assist with qualifying the household for the loan, the household is not eligible for HOPE.

FYI

The Income Calculation Workbook (ICW) may be updated from time to time. Open the ICW from the TurnKey public website for each reservation. **Do not save the ICW to your desktop to use for multiple households.**

If the current version of the ICW is not submitted the reservation will be determined ineligible.

Household income is calculated based on the household's current annualized income at reservation submission. Household income must be at or below 150% of the [Area Median Income \(AMI\)](#) for the county in which the home is being purchased. HSP Online uses the United States Department of Agriculture (USDA) published median income for the area and adjusts for household size to determine the household's percentage of the AMI. Income limits can be found in the Resources section of the TurnKey public website, www.fhlbtopeka.com/turnkey.

The AHP/TurnKey Income Calculation Guide must be utilized to determine income documentation requirements and to gain an understanding of how FHLBank calculates income for HOPE eligibility. Incomplete reservations, reservations submitted with incorrect income documentation, income documentation dated outside of guidelines, etc. will be deemed ineligible. See the [Household Ineligibility](#) section of this guide. The income calculation guide can be found in the Resources section of the TurnKey public website, www.fhlbtopeka.com/turnkey.

The HOPE Reservation and home loan application may have different requirements that should be addressed separately. ALL individuals who currently or will live in the home must be identified and their income included to determine eligibility, even if they are not included on the home loan application. Loan guidelines do not supersede HOPE guidelines.

INCOME FAQs

Q: Underwriting is requiring my homebuyer to have a co-signer (guarantor) to obtain a home loan. Do I disclose the non-occupying co-signer's income for grant qualification?

A: If the non-occupying co-signer's (guarantor's) income is being used to qualify the household for the loan, the household is not eligible for grant funds and a reservation cannot be submitted for the household.

Q: My homebuyer's significant other and children will be living in the home. The significant other will not be a borrower on the loan. Do I need to disclose all these individuals as household members?

A: Yes, all individuals (and their income) that currently or will occupy the home must be disclosed as household members, including non-borrowing adults and children.

Q: What type of income should be disclosed for the reservation?

A: All household income should be disclosed. This includes, but is not limited to, full-time and part-time employment income, seasonal income, unemployment benefits, non-employment income such as social security, child support, alimony, retirement benefits, self-employment, etc.

Q: I'm working with a homebuyer that is getting married next month, should the fiancée's income be included as part of the household income?

A: Yes, the fiancée's income should be included as part of the household income. **ALL** individuals that intend to occupy the home must be disclosed and their income included.

Q: How many paystubs are required to calculate income for an hourly wage or salaried homebuyer?

A: One paystub is required, please do not submit multiple paystubs. The paystub must meet the following requirements to complete the ICW:

- Represents at least 28 days of YTD earnings;
- Includes a breakdown of all YTD earnings;
- Accurately represents a typical pay period;
- Is dated within 60 days prior to the reservation submission date;
- Identifiable employer name and homebuyer name;
- Discloses pay period dates, pay frequency, pay date, wage/salary and hours worked/paid.

Q: When completing the ICW, why is bonus, overtime, commission, tips, shift differential, etc. included in the YTD Other Income cell when I have already included it in the YTD Total Income? Isn't that counting it twice?

A: No, the ICW consists of two separate income calculations, the YTD Earnings, and the Base Wages. The income entered in the YTD Other Income cell is part of the Base Wages calculation.

Q: If a homebuyer typically works 40 hours a week, but the paystub that was provided to me shows 8 hours of Holiday Pay for a total of 48 hours paid for the week. Can I complete the Hours/Week cell with 40?

A: No, If the paystub provided demonstrates the homebuyer was paid for 48 hours at the regular wage, the Hours/Week should be completed as 48. If it is not typical for the homebuyer to be paid 48 hours a week, do not submit that paystub. Obtain a paystub that accurately represents a typical pay period.

For additional income calculation requirements, refer to the **AHP/TurnKey Income Calculation Guide** on the TurnKey public website, www.fhlbtopeka.com/turnkey.

Q: How many years of tax returns do I provide for self-employed homebuyers?

A: Only the previous year signed, individual tax return is required. Provide all pages and schedules. Do not provide multiple tax returns. If the self-employment started in the current year, the FHLBank YTD Profit and Loss Statement must be completed and signed by the homebuyer.

Q: I am working with a homebuyer that has an employment contract. The home purchase will be completed before the start date of the new position. How do I document this homebuyer's income?

A: If the homebuyer is currently employed, provide one paystub or a VOE from the homebuyer's current employer (employer at the time the reservation is submitted). If the homebuyer is unemployed at the time of reservation submission but has a contract to start employment on a future date, provide the signed and executed employment contract. Job offers will not be accepted.

Q: How do you calculate income if a bonus was received early in the year and it is a one-time bonus?

A: All income earned YTD will be annualized in the absence of documentation from the employer that states otherwise. If the employer can provide documentation, in writing, stating the bonus is received once a year and no other bonuses will be received for the remainder of the calendar year, it may be removed from the YTD Total Income and YTD Other Income cells and shown as a one-time earning in the ICW. **Overtime cannot be removed from the annualization.**

Q: I am working with a homebuyer that is purchasing a duplex. The homebuyer will be living in one side and renting the other side to a tenant. Does the rental income need to be disclosed as income in the ICW?

A: Yes, the current or anticipated rental income must be disclosed and included in the income calculation. The current executed and signed lease agreement should be provided. If there is no current lease agreement, an appraisal is needed. See the AHP/TurnKey Income Calculation Guide for detailed requirements. The guide can be found in the Resources section of the TurnKey public website, www.fhlbtopeka.com/turnkey. For multifamily home purchases, rental income must always be disclosed.

Repair documentation is required to be provided as part of the Disbursement Request.

If HOPE funds are used to pay for all or part of purchase-related repairs, the repairs must be documented on the Closing Disclosure by one of the two methods identified below:

Option 1: Escrow

Repair expenses are held in escrow and disbursed by the member or closing agent.

- The funds held in escrow must be shown on the Closing Disclosure.
- An estimate from the contractor or vendor for the repairs and a detailed list of the repairs must be provided to FHLBank at Disbursement Request submission. - Home purchases for properties outside of FHLBank Topeka's district.

TURN TIMES

The best way to ensure a reservation request is approved quickly, is to complete the Income Calculation Workbook (ICW) accurately based on income documentation that meets TurnKey income calculation guidelines.

Allow FHLBank **30** calendar days to provide reservation approval. If additional documentation or corrections are required, the approval may take longer than 30 days. Schedule loan closings accordingly. Reservations, including clarification submissions, are reviewed in the order of receipt. **Requests to expedite reviews will not be honored and inquiries regarding the status of reservation approvals will not be responded to.**

Refer to the AHP/TurnKey Income Calculation Guide, on the TurnKey public website, www.fhlbtopeka.com/turnkey for income documentation requirements and instruction for completing the ICW.

FYI:

If a member has outstanding Reservation or Disbursement Requests from any 2024 TurnKey Programs, the member may not participate in the 2025 TurnKey Programs until the 2024 Reservations and/or Disbursements are funded or withdrawn.

RESERVATION OF FUNDS

Reservations for HOPE funds may be submitted beginning March 3, 2025, by registered members. HOPE grant funds are available on a first-come, first-served basis. Reservation requests must identify a specific homebuyer and a specific property address as listed on the purchase agreement.

Reservation requests are accepted through HSP Online. The member must submit the Income Calculation Workbook (ICW) and income documentation through HSP Online to reserve funds.

Reservations are reviewed in the order of receipt. **Requests to expedite a reservation review/approval will not be honored.** Allow **30** calendar days for FHLBank to review the reservation. If clarification must be sent for corrections, additional documentation, information, etc. the approval will take longer. Schedule loan closings accordingly.

Reservations may be started and saved to complete later if the “Reservation Initiation Information” and “Additional Member Contacts” screens are complete. Once these two screens are complete:

- *The reservation’s status will change to “Reservation Request Pending;”*
- *Funds **are not** reserved for the household at this point.*

FHLBank cannot review Reservation Requests with a status of “Reservation Request Pending.”

Pending Reservations must be submitted within one day of initiation. If not submitted in one day, HSP Online will expire the reservation and a new reservation will need to be initiated and submitted.

Complete all screens (indicated by a green checkmark) and select “Submit” on the Reservation Home screen. Once the request is submitted:

- *The status will change to “Reservation Request Submitted;”*
- *All selected contacts for the reservation will receive an email confirming submission;*
- *The reservation is no longer editable by the member;*

- *Funds are now reserved for the household.*

Once FHLBank’s review of the reservation request is complete, the status of the reservation request will change to “Reservation Request Eligible,” “Reservation Request Clarification Pending,” or “Reservation Request Ineligible.”

- If the reservation request is approved, the disbursement request must be submitted within 90 days of the reservation approval (status of “Reservation Request Eligible”).
- If the disbursement request is not received within 90 days of the reservation approval, HSP Online will withdraw the reservation resulting in funds no longer being reserved for the household. The expiration date is included on the Dashboard and on the Timeline screen in HSP Online.
- If clarification is requested (“Reservation Request Clarification Pending”), responding to the request promptly will help to ensure the reservation is approved in a timely manner. **FHLBank may, at its discretion, withdraw Requests for which FHLBank has not received the requested additional information, correction, or clarification of submission within thirty (30) days of FHLBank’s request.**

Know the Difference:

Pending: A reservation with a status of “Reservation Request Pending” will expire if the reservation is not submitted to FHLBank within one calendar day. For example, if a reservation request is initiated on Tuesday, it must be submitted by end of day Wednesday. **Reservations with a status of “Pending” have not been submitted and cannot be reviewed by FHLBank.**

Submitted: A reservation with a status of “Reservation Request Submitted” can be reviewed by FHLBank. Funds are reserved for the household once the reservation is submitted.

Expired: A reservation with a status of “Reservation Request Expired” means the reservation is no longer active and funds are not reserved for the household.

The purchase contract and home loan application can be dated prior to the reservation submission date; however, the loan application and purchase contract are not reviewed by FHLBank and should not be submitted to FHLBank.

ZIPCODES AND ZIP+4

The Site Selection Screen must be completed by the member as part of the Reservation of Funds process. The member completes the screen by entering the street address, ZIP and ZIP +4 of the property being purchased and selecting “Lookup.” Once “Lookup” is selected, pertinent information regarding the property is populated to the screen (city, state, county, congressional district, census tract and CBSA) based on the ZIP and ZIP+4. It is important the correct ZIP information is entered on the Site Selection Screen because the county that populates to the screen determines the income limit and some of the other information that populates to the screen, such as census tract, is reported by FHLBank to FHFA.

The ZIP and ZIP+4 should be obtained and verified at www.USPS.com. If USPS does not return any results for the property, the information can be obtained from www.unitedstateszipcodes.org (always try to obtain the information from USPS first). If neither website provides results for the property, contact HCD at TurnKey@fhlbtopeka.com. Provide the address of the property so HCD staff can conduct research and provide you with ZIP information to use. Do not enter a ZIP or ZIP+4 in HSP Online unless it has been verified on www.usps.com, www.unitedstateszipcodes.org or provided by HCD.

If an error message is received after selecting “Lookup” on the Site Selection Screen, email TurnKey@fhlbtopeka.com. Provide a screenshot of the error message and the address of the property so HCD can research the issue.

HOUSEHOLD INELIGIBILITY

FHLBank has implemented a new process for deeming households ineligible. Member contacts will no longer receive an email requesting agreement with the ineligibility determination. Instead, member contacts associated with the reservation will receive an email from HSP Online informing them funds are no longer reserved for the household and outlining the reason(s) for ineligibility. In addition, incomplete reservation submissions will be deemed ineligible. Reasons households may be deemed ineligible include, but are not limited to:

- Household Income exceeds 150% of the AMI
- Front Ratio Exceeds 38%
- Incorrect and/or outdated version of the ICW is provided
- Discrepancy in the ICW exists and is not accompanied by an **employer** explanation
- Income documentation or Zero Income Certification not provided for household members age 18 and older
- Incorrect income documentation provided. Examples include, but are not limited to:
 - ✓ Multiple paystubs when not necessary (FHLBank only requires one paystub in most situations)
 - ✓ Income documentation missing necessary information required to complete the ICW (i.e. YTD Earnings, breakdown of all YTD Earnings, Pay Period End Date, etc.)
 - ✓ Income documents are not dated within guideline(s)
 - ✓ Multiple years of tax returns are provided
 - ✓ P&L provided when a tax return is required and vice versa
 - ✓ Tax returns provided for households that are not self-employed
 - ✓ Bank statements are provided (FHLBank will never ask for bank statements)
 - ✓ Signature(s) missing when required (i.e. Tax Return, P&L, AHP/TurnKey Zero Income Certification, etc.)

Authorized Users having a strong understanding of income calculation guidelines and documentation requirements will help ensure reservations are not deemed ineligible and improve approval time frames. The AHP/TurnKey Income Calculation Guide can be found on the in the Resources Section of the TurnKey public website, www.fhlbtopeka.com/turnkey, and includes the income documentation requirements, instructions for calculating income, instructions for obtaining and documenting employer explanations and verifications, information about income calculation discrepancies and much more!

Important Reminders:

- Allow thirty (30) days for FHLBank to provide an eligibility determination.
- If clarification must be sent, the determination could take longer.
- It is the Authorized Users responsibility to manage and communicate expectations with homebuyers, real estate agents, sellers, title companies, loan officers, etc.
- If the reservation is deemed ineligible due to income documentation issues, a new reservation may be submitted, but the 30-day count will start over.
- If the reservation is deemed ineligible due to the household income exceeding the AMI% guideline or the front ratio exceeding guideline, a new reservation cannot be submitted for the household.
- FHLBank does not review real estate purchase contracts and does not take loan closing dates into consideration.
- Reservations are reviewed in the order of receipt and requests to expedite reviews are not honored.
- HOPE grant funds should not be promised or guaranteed to households.
- Always obtain new documents (ICW, RERA, etc.) from the TurnKey public website for each household. Do not reuse documents for multiple households.

DISBURSEMENT OF FUNDS

Disbursement Requests for HOPE funds may be submitted after the Reservation Request status is “Reservation Request Eligible” and after the loan has been closed. Disbursement requests must be submitted within 90 days of a status of “Reservation Request Eligible” or the reservation will expire, and funds will no longer be reserved for the household. The expiration date is included on the Dashboard and Timeline screen in HSP Online. In addition, all contacts associated with the reservation will receive a reminder email 30 days prior to the grant expiration date. **It is the member’s sole responsibility to monitor the 90-day submission requirement.**

Disbursement of Funds must be requested through HSP Online and the following documentation provided:

- Final, signed Closing Disclosure
- Recorded Real Estate Retention Agreement
- Repair estimates/paid invoices (if applicable)
- Grant/forgivable loan or second mortgage documentation (if applicable)

A Disbursement Request does not have to be started and completed in one sitting. If started, be sure to save frequently. When coming back to work on a Disbursement Request or when responding to a Clarification Request from an HCD Analyst, be sure to select the Disbursement Number on the Dashboard, not the Reservation Number. The Disbursement screens are not visible if the Reservation Number is selected.

FHLBank cannot review Disbursement Requests with a status of “Disbursement Request Pending.”

Disbursement requests in “Disbursement Request Pending” status will expire and must be submitted prior to the reservation expiration date. Complete all screens (indicated by a green checkmark) and select “Submit” on the Disbursement Home screen. Once the request is submitted:

- *The status will change to “Disbursement Request Submitted;”*
- *All selected contacts for the disbursement will receive an email confirming submission;*
- *The disbursement is no longer editable by the member.*

It is the Authorized Users responsibility to review all documentation prior to the loan closing, post-closing and prior to disbursement request submission to ensure all documents are completed correctly and meet HSP guidelines. If corrections are required, Authorized Users must contact HCD prior to making corrections to ensure the method of correction is acceptable. Contact HCD at TurnKey@fhlbtopeka.com or 1.866.571.8155.

GRANTS/FORGIVABLE LOANS AND SECOND MORTGAGES

If there are other grants/forgivable loans or second mortgages included in the transaction, the corresponding documentation must be submitted. The documentation should be obtained from the provider of the grant/forgivable loan or from the second or subsequent mortgage lender. Documentation for grants/forgivable loans should include:

- Terms of repayment; or
- Verification that no repayment is required;

Documentation for second mortgages should include:

- Loan Amount;
- APR;
- Loan Term;
- Interest Rate;
- Borrower Paid Origination Charges;
- Discount Points.

Know the Difference:

Grant: Payments made to the household with no requirement or expectation of repayment. DO NOT INCLUDE THE HOPE GRANT IN THIS AMOUNT in HSP Online.

Forgivable Loans: 1) If forgivable – The loan forgiveness might be structured to occur at one point in time (such as at the end of the affordability period) or forgiven incrementally (such as forgiving one-fifth of the loan each year over five years). 2) If repayable – Repayment might be required at the sale or transfer of the property or at the end of a fixed period of time. These loans are also referred to as “soft seconds.”

PREPARATION OF THE CLOSING DISCLOSURE

Details of the homebuyer's loan must meet the following requirements:

- If the household owns a current primary residence, it has been sold or rented.
- The loan closing date is not prior to reservation approval (status "Reservation Request Eligible");
- The property address on the Closing Disclosure (CD) matches the property address for which funds were reserved. Contact FHLBank prior to closing if the reservation does not include the correct address;
- All names on the CD were included as household members on the Household Summary tab of the Income Calculation Workbook that was submitted with the reservation request;
- The first mortgage loan term minimum is five years, and maximum is 40 years;
- All mortgage interest rates are at or below the FHLBank maximum interest rates in effect as the date of closing. FHLBank maximum interest rates are posted in the Resources section of the TurnKey public website;
- Lender fees (fees paid to the member and/or lender) paid by the homebuyer, including but not limited to origination fees, document preparation fees, application fees, etc. do not exceed 3% of the loan amount for all mortgage loans associated with the transaction;
- Discount points paid by the homebuyer do not exceed 3% of the mortgage loan amount;
- The subsidy amount shown on the CD does not exceed the subsidy amount reserved;
- The subsidy amount shown on the CD is not less than \$2,500.00;
- The subsidy amount shown on the CD does not exceed \$12,500.00.
- The subsidy is labeled "HOPE Grant" or something similar that demonstrates positive identification of the subsidy. **Do not label the subsidy as "second mortgage" or "gift funds";**
- The loan terms and loan information sections of the CD (amount, interest rate, term, product, etc.) are filled out completely;
- A processing fee is not being charged by any entity for providing the subsidy to the household;
- The subsidy is not being used for non-housing-related costs (debt collections, credit card payoffs, car loan payoffs, etc.);
- The household will not receive cash back in excess of \$250.00 at any point in the purchase transaction;
- Non-occupying co-borrowers and co-owners are not part of the transaction;
- A non-occupying co-signer/guarantor's income was not used to assist in qualifying the household for the home loan.
- The front ratio does not exceed 38% based on FHLBank's qualifying income calculation.
- The loan to value is not less than 80%.
- If the loan to value is 80%, a principal reduction was not applied to the loan.
- The final CD is signed by all borrowers shown on the CD.

COMBINING HOPE WITH OTHER FUNDING SOURCES

HOPE subsidy may be combined with other federal, state, and/or local grants and loans. However, TurnKey (HSP, HSP+ and HOPE) subsidies may not be stacked and applied to the same transaction. Members should check with the secondary market investor regarding requirements for purchasing first mortgage loans where there is a recorded retention agreement on the property from a down payment assistance subsidy.

Households may receive HOPE subsidy and FHLBank's Mortgage Rate Reduction Product (MRRP) however, MRRP utilizes different income limits and guidelines for determining household size and income disclosure. If the household is receiving both HOPE and MRRP, guidelines from both programs must be followed and met.

HOPE guidelines, as well as lender and investor guidelines, must be followed. **Lender, investor and guidelines for other sources of funds do not supersede HSP guidelines.**

FHLBANK EIN

A wide range of mortgage programs including Conventional, FHA, VA and USDA Rural Development can include HOPE subsidy.

The FHLBank EIN (Tax ID) is 48-0561319 and can be used, if needed, when entering HOPE subsidies in FHA Connection. HOPE subsidies are not secondary financing that require installment payments therefore, FHLBank's HUD Lender ID is not needed for input of HOPE subsidies into FHA Connection and will not be provided to members.

- HOPE does not have credit score requirements.
- HOPE does not have purchase price limits.
- HCD does not review purchase contracts.
- HCD does not review the member's loan underwriting results or criteria for HOPE qualification.
- The loan term minimum is five years, and the loan term maximum is 40 years.

Review of household eligibility and program compliance are crucial, as the member must disburse funds to the homebuyer(s) at the loan closing and then be reimbursed by FHLBank Topeka after the loan closing. Ineligible use of HOPE funds and/or providing funds to an ineligible household may result in a reduction or denial of disbursement.

5. FHLBank reviews the disbursement request and required documentation, requests clarification if necessary, and reimburses the member by depositing the funds in the member's FHLBank Demand Deposit Account (DDA). Notification of the deposit is made to the member contacts associated with the disbursement request via email. Deposits are also reflected in Members Only.

REAL ESTATE RETENTION AGREEMENT REQUIREMENTS

The homebuyer must agree to a five-year retention period, to maintain ownership of the property for a period of five years from the closing date or potentially repay a prorated share of HOPE funds. The amount of the subsidy declines 1/60th each month for 60 consecutive months and is then forgiven.

The retention period commences on the date the loan is closed.

The [Real Estate Retention Agreement](#) (RERA) must reference the property address and legal description of the property being purchased. All required fields must be completed (dates, names, etc.).

FHLBank recommends the RERA be signed at the loan closing and recorded immediately following the loan closing. The RERA should be recorded separately from other documents. A copy of the recorded RERA must be provided with the submission of the disbursement request in HSP Online. **Do not submit the disbursement request until the recorded RERA can be provided.**

Use the current version of the RERA. Obtain a RERA from the TurnKey public website, www.fhlbtopeka.com/turnkey, for each household to ensure submission of the current version. **DO NOT** save FHLBank documents on your computer to be reused for multiple households.

DO NOT MAIL THE ORIGINAL RERA TO FHLBANK. The copy uploaded to HSP Online with the disbursement request meets FHLBank requirements.

If the RERA is submitted to FHLBank and it is not completed correctly, FHLBank will request corrections to be made and acknowledged (initialed) by the homebuyer and/or notary. The corrected and acknowledged RERA will be required to be re-recorded. The disbursement request will not be approved until the RERA meets FHLBank's criteria. If the disbursement request is denied or the grant amount is modified, the member will be required to record a release of the RERA. In the instance that a release is necessary, FHLBank will not approve the disbursement request until a copy of the recorded release **and** a copy of the newly executed and recorded RERA (if required) have been received and reviewed. A sample RERA to assist with completing the document correctly is available on the TurnKey public website.

REPAYMENT OF SUBSIDY

In the case of a sale, transfer, assignment of title or deed, or refinancing of the unit by the household during the retention period, the household is required to repay the HOPE subsidy, reduced on a pro rata per month basis until the unit is sold, transferred, or its title or deed transferred, or is refinanced during the HOPE five-year retention period. A link to the RERA release and payoff request form can be found on the TurnKey public website, www.fhlbtopeka.com/turnkey.

The obligation to repay HOPE subsidy to FHLBank shall terminate after any event of foreclosure, transfer by deed-in-lieu of foreclosure, an assignment of a Federal Housing Administration first mortgage to HUD, or death of the HOPE-assisted homeowner.

REFINANCING AND HOME EQUITY LOANS

In the case of refinancing or obtaining a home equity loan during the five-year retention period, no repayment is required if the unit continues to be subject to a deed restriction for the remainder of the

retention period. A link to the HCD subordination request can be found on the TurnKey public website, www.fhlbtopeka.com/turnkey.

For questions regarding payoffs, releases and subordinations of FHLBank's RERA, contact Housing and Community Development at 1.866.571.8155 or email at HousingPayoffRelease@fhlbtopeka.com.
