

Members

The Affordable Housing Advisory Council (council) shall consist of 12 seats with members to be chosen by the board of directors (board) of the Federal Home Loan Bank of Topeka (FHLBank) with equal representation from each state in the district determined by residence of the council member. Members must be bona fide residents of the Tenth District (district) and associated with a community or non-profit organization actively involved in providing or promoting low- and moderate-income housing or community lending in the Tenth District. A member of the council may be suspended or removed by the board for cause, as described below. Should a council member experience a change in occupation or residence that causes the member to fail to meet the eligibility requirements described herein or that impacts the council's equal representation from each state in the district, the council member may no longer serve on the council.

FHLBank will solicit nominations for membership on the council from community and not-for-profit organizations pursuant to a nomination process that is as broad and participatory as possible, allowing sufficient time for responses. The board shall appoint council members giving consideration to the diversity of low- and moderate-income housing needs and activities in the district. In appointing the council, the board shall ensure that the membership includes persons drawn from a diverse range of organizations, experience, and perspective, as further described in the Procedures for Identifying and Evaluating Candidates for Appointment to the Affordable Housing Advisory Council and Filling Vacant Council Positions. Community organizations include for-profit organizations.

Members of the council shall be appointed for a term of three years, and such terms shall be staggered to provide continuity in experience and service to the council. No council member may be appointed to serve more than three consecutive terms.

The officers of the council shall be a chair and a vice chair as elected annually by the council.

In the event of a vacancy in any member position on the council, the vacancy shall be filled through appointment by the board for the unexpired term. If any member shall cease to have the qualifications to remain a member, the seat held by such person shall immediately become vacant. Appointments for the unexpired term of a predecessor shall not count toward the three consecutive term limit.

The council's advice shall include recommendations on:

- FHLBank's Community Support Program and Targeted Community Lending Plan, and any amendments thereto;
- The amount of AHP funds to be allocated to FHLBank's General Fund and any Targeted Funds and Homeownership Set-aside Programs (HSP), including how the HSP funds should be apportioned under the one-third funding allocation requirement required by §1291.12(b);

The council shall meet with and advise representatives of the board at least quarterly.

The council shall submit to the Federal Housing Finance Agency (FHFA), no later than May 1 of each year, a report analyzing the low- and moderate-income housing and community development activity of FHLBank. The report shall be prepared by FHLBank’s Director of Housing and Community Development at the direction of the council.

The council shall meet with and advise the Elections Subcommittee of the board on individuals considered for independent directorships. The Elections Subcommittee will consult with the council before nominating any individual for any independent directorship.
