TurnKey

For more than 25 years, FHLBank Topeka has set aside funds annually, within the Affordable Housing Program (AHP), to provide down payment and closing cost assistance to very low-, low- and moderate-income first-time homebuyers.

As part of our commitment to continue making housing accessible and affordable in our district, we would like to introduce you to TurnKey, our suite of programs designed to provide assistance to address the challenges of attaining homeownership in Colorado, Kansas, Nebraska and Oklahoma. Through our TurnKey programs, we support the dream of homeownership and partner with our members to build communities and change lives. The TurnKey suite of products includes the Homeownership Set-aside Program, the Homeownership Set-aside Program Plus and Homeownership Possibilities Expanded.

The programs are offered in partnership with FHLBank members – members work with qualified homebuyers, submit required documents to FHLBank, advance the grant funds at closing and request reimbursement of the funds after closing. The subsidies are provided to households as a forgivable grant with a five-year retention period.

TURNKEY PROGRAM DESCRIPTIONS

HOMEOWNERSHIP SET-ASIDE PROGRAM

The Homeownership Set-aside Program (HSP) provides down payment, closing cost and repair assistance to first-time homebuyers earning at or below 80% of the Area Median Income (AMI) for households purchasing homes, to be used as their primary residence, in our four-state district.

HOMEOWNERSHIP SET-ASIDE PROGRAM PLUS

The Homeownership Set-aside Program Plus (HSP+) provides down payment, closing cost and repair assistance to first-time homebuyers earning at or below 80% AMI for households purchasing homes, to be used as their primary residence, in High-Cost Areas and non-metropolitan counties located in Difficult Development Areas within our four-state district.

HOMEOWNERSHIP POSSIBILITIES EXPANDED

The Homeownership Possibilities Expanded (HOPE) provides access to the “missing middle” or homebuyers that do not traditionally receive support but need assistance with down payment, closing costs and repair assistance. HOPE is not limited to first-time homebuyers and household income must be at or below 150% of the AMI for households purchasing homes, to be used as their primary residence, in our-four state district. HOPE is funded by FHLBank’s increased voluntary funding. This is a voluntary commitment of 2.5% above our regulatory contribution of 10% of our previous year’s earnings. The TurnKey User Guide for HOPE can be accessed on the TurnKey website, www.fhlbtopeka.com/turnkey.

Homeownership Set-aside Program Details

SUBSIDY PER HOUSEHOLD

The HSP minimum subsidy is \$2,500.00 per qualified household and the maximum subsidy is \$15,000.00 per qualified household.

Through HSP+, households may receive a maximum of \$25,000.00 per qualified household. The minimum subsidy per household is \$2,500.00.

Funding for the HSP and HSP+ is available on a first-come, first-served basis subject to the Member Limit (see below) and availability of funds for each program.

MEMBER LIMIT

For HSP, members may reserve up to \$105,00.00 in reservations per month beginning March 4, 2024 and the first business day of each month thereafter. The monthly limit is \$175,000.00 in reservations per member, per month for HSP+.

Members may access the current month's limit plus the unused portion of the previous months' limits if funds are available. Members are neither allocated nor guaranteed the member limit(s) in reservations per month. Members may participate in all TurnKey programs concurrently; however, the member limit for both programs are separate and cannot be combined or transferred. The limit(s) are increased by 9:00 a.m. on the first business day of each month during the HSP funding period. Reserving funds in excess of the member limit is not allowed unless the limit is increased or eliminated by FHLBank.

Housing and Community Development (HCD) management will evaluate funds remaining after July 1, to determine whether to continue, discontinue or change the individual member funding limit. FHLBank will announce changes to member limits.

FYI

The Member Limit is based on the amount of funds **reserved** by the member in HSP Online during the month.

The loan closing date and number of loan closings per month does not have any impact on the Member Limit.

The total disbursement requests submitted via HSP Online per month does not affect the Member Limit.

HSP Online will not allow members to reserve funds once they have reached their limit.

Withdrawn, ineligible and expired reservations are subtracted from the limit.

KEY CHANGES FOR THE 2024 HSP

1. For the 2024 HSP and HSP+, all reserved funds must be disbursed to the member on or before May 1, 2025 or FHLBank will withdraw the reservation.
2. The High-Cost Area HSP has been renamed to HSP+ and expanded to include non-metropolitan counties located in Difficult Development Areas.
3. \$1.5 million will be allocated for the HSP+.
4. The HSP maximum subsidy per household has increased to \$15,000.00.
5. The HSP+ maximum subsidy per household has increased to \$25,000.00.
6. An appraisal is no longer required in any circumstance.
7. HSP Only: The household's front ratio may not exceed 38%.
8. Homebuyers are no longer required to sign the homebuyer education certificate if the course is taken online.
9. The maximum lender fees paid by the homebuyer has been decreased to 3% of the loan amount.
10. The maximum discount points paid by the homebuyer has been increased to 3% of the loan amount.
11. A TurnKey Registration Agreement must be executed to participate in HSP and HSP+.

HSP ONLINE

HSP Online is FHLBank Topeka's online, automated system through which members submit and FHLBank reviews and processes TurnKey (HSP, HSP+ and HOPE) reservation and disbursement requests. FHLBank **will not** review reservation or disbursement requests that are not submitted through HSP Online. Designated authorized users have access to HSP Online.

ACCESS TO HSP ONLINE

Authorized Users are individual(s) designated by the member institution to execute applications, agreements, disbursement requests, reservations, forms, and other documents and otherwise complete all activities required to participate in Affordable Housing Program (AHP) and TurnKey programs.

Authorized Users are responsible for reviewing all certification and income documentation and ensuring the household meets HSP guidelines.

Contact HCD at TurnKey@fhlbtopeka.com or 1.866.571.8155 for instructions on how to become an authorized user.

TURNKEY REGISTRATION

To participate in HSP and HSP+ a TurnKey Member Registration Agreement (Registration Agreement) must be executed and submitted to TurnKey@fhlbtopeka.com. **The prior HSP Member Registration Agreement on file with FHLBank Topeka is no longer valid.** All members must register to participate in the 2024 TurnKey programs. Registration will open in early February 2024.

Registration instructions are available on the TurnKey public website, www.fhlbtopeka.com/turnkey. Authorized Users will be notified by email when registration opens in early February. The Registration Agreement must be signed by a representative from the member institution who is included on the FHLBank Credit Resolution, the FHLBank Credit Authorization, FHLBank AHP/HSP Authorization Form, or equivalent role in Members Only. Only one Registration Agreement per member is required.

Upon execution and receipt of the Registration Agreement, members may reserve funds during the current and subsequent year's TurnKey funding periods for which subsidies are available.

In addition, members that originate home loans in High-Cost Areas and counties located in non-metropolitan Difficult Development Areas should email TurnKey@fhlbtopeka.com to request participation in the HSP+.

TurnKey down payment assistance programs are offered in partnership with FHLBank members. FHLBank does not work directly with homebuyers. Homebuyers inquiring about TurnKey programs should contact an FHLBank member to determine eligibility and apply. A link to the FHLBank member directory can be found in the Resources section of the TurnKey public website.

HSP+

HSP+, formally the High-Cost Area HSP, provides additional funding in High-Cost Areas and non-metropolitan counties located in Difficult Development Areas. First-time homebuyers purchasing homes in these areas within FHLBank Topeka’s district are eligible to receive up to \$25,000.00 per household to assist with down payment, closing costs or eligible repairs.

HSP+ will be allocated \$1.5 million of the annual AHP contribution. The funds will be available on a first-come, first-served basis of \$175,000.00 in reservations per member, per month beginning March 4, 2024.

HSP+ is a separate program from the HSP and HOPE. Member limits, reservations, disbursements, etc. cannot be combined or transferred between the two programs. Most general, and all HSP income eligibility guidelines and rules apply to both programs.

High-Cost Area is defined by the Federal Housing Finance Agency (FHFA) as counties in which 115 percent of the local median home value exceeds the baseline conforming loan limit as established annually.

Non-metropolitan Difficult Development Areas are defined by HUD as non-metropolitan counties in areas with high land, construction, and utility costs relative to the area median income.

Members that originate home loans in High-Cost Areas or counties located in non-metropolitan Difficult Development Areas should email turnkey@fhlbtopeka.com to request participation in HSP+.

Eligible counties are primarily in Colorado along with Payne County, OK.

HSP ELIGIBILITY

HSP Online requires the authorized user to certify, through certifications on the Eligibility pages, the household meets the HSP eligibility requirements. The authorized user submitting the reservation or disbursement request should have first-hand knowledge the certifications are accurate. Refer to the TurnKey Eligibility Questionnaire on the TurnKey public website, www.fhlbtopeka.com/turnkey, for help determining a household's eligibility. Additionally, members are required to obtain and retain back-up documentation for each certification and to provide that documentation to FHLBank upon request.

FHLBank reserves the right to request documentation to verify eligibility certifications at any time prior to and following reservation and disbursement request approval.

Do not determine a household's eligibility prior to the household's identification of a specific home to purchase. For example: A homebuyer is pre-approved for a home loan and the household determined to be eligible for HSP subsidy several months prior to locating a home to purchase. When the homebuyer has an accepted contract to purchase a home, although the home loan pre-approval may still be active, the household's eligibility to receive HSP subsidy may not. Eligibility for HSP subsidy must be re-determined at this time due to the lapse in time between the eligibility determination and the location of the home to purchase.

ELIGIBILITY CERTIFICATIONS

FIRST-TIME HOMEBUYER

I certify all borrowers, co-borrowers and co-owners of the transaction are first-time homebuyers, as defined by FHLBank Topeka, who do not own and are not investors in another residence.

To be considered a first-time homebuyer, all borrowers, co-borrowers, and co-owners must meet the following definition:

First-time homebuyer: All borrowers, co-borrowers, and co-owners of the transaction, who do not own and are not investors in another residence, and who wish to purchase a home that will be their primary residence. In addition, the homebuyer(s) must meet any one of the following criteria:

- Have had no ownership in a residence during the prior three-year period ending on the date of purchase of the property;
- Have only owned a residence not permanently affixed to a permanent foundation in accordance with applicable Regulations;
- Has only owned a property that was not in compliance with State, local or model building codes and which cannot be brought into compliance for less than the cost of constructing a permanent structure; or
- Is a household displaced as a result of a Federally Declared Disaster (as designated by FEMA) within 24 months of the reservation date.

NON-OCCUPYING CO-BORROWERS/CO-OWNERS

I certify there are NOT any non-occupying co-borrowers or co-owners associated with the first mortgage loan.

All borrowers, co-borrowers and co-owners must be household members of the property being purchased. **NON-OCCUPYING CO-BORROWERS AND NON-OCCUPYING CO-OWNERS ARE NOT ELIGIBLE FOR THE HSP.**

The scenarios below provide additional clarity to the differences between co-borrowers, co-owners, and co-signers. The scenarios presented are for illustrative purposes and are not intended to encompass every possible scenario. After reviewing the scenarios, contact HCD prior to submitting a reservation request if you are unsure under which scenario a potential HSP subsidy recipient corresponds.

- ❖ **Non-occupying Co-owner:** A homebuyer is married but does not live in the same home as his/her spouse, and the spouse will not be on the loan or be living in the home after closing. However, because the couple is not divorced, the non-occupying spouse is considered a non-occupying co-owner (and possibly a non-occupying co-borrower.) Non-

Know the Difference:

Co-borrower: Individual(s) included on the deed, mortgage/deed of trust, and promissory note for a property in conjunction with another individual(s) and is liable for repayment of debt secured by the mortgage/deed of trust. **Non-occupying co-borrowers are NOT ELIGIBLE.**

Co-owner: Individual(s) included on the deed and/or mortgage/deed of trust for a property in conjunction with another individual(s). **Non-occupying co-owners are NOT ELIGIBLE.**

Co-signer: Individual(s) included on the promissory note and liable for repayment of debt for real estate but is not on the deed and/or mortgage/deed of trust for property. **Non-occupying co-signers are eligible.**

occupying co-owners are not eligible, so the household is not eligible to receive the HSP grant. If the couple is divorcing, the divorce must be legally final prior to reservation submission (removing any requirement for a non-occupying co-owner).

- ❖ **Non-occupying Co-borrower:** A homebuyer's parent will be signing the loan documents along with him/her and will be included on the mortgage/deed of trust or deed. The parent is considered a non-occupying co-borrower. Non-occupying co-borrowers are not eligible, so the household is not eligible to receive the HSP grant.
- ❖ **Co-signer:** A homebuyer's parent will be signing a Promissory Note but will not be on the mortgage/deed of trust or deed. The parent is considered a co-signer. The household is eligible to receive the HSP grant, assuming the household meets all other eligibility and regulatory requirements.

CASH BACK AT CLOSING

I certify the homebuyer will not receive cash back exceeding \$250.00 at closing.

Cash back to the homebuyer exceeding \$250.00 at closing is prohibited, regardless the amount of funds the homebuyer and/or other parties contributed to the transaction. If the homebuyer receives more than \$250.00 cash back at closing:

- The amount equal to the cash received exceeding \$250.00 will be deducted from the member's reimbursement of grant funds.
(Collecting those funds from the homebuyer and revising the Closing Disclosure is not an option to resolve the issue.)
- Cash back includes any funds (checks, credits, cash back) issued to the household, as documented on the CD.

FYI:

If, during preparation of the Closing Disclosure (CD), it is noted that the homebuyer will receive cash back at closing in an amount exceeding \$250.00, you can remedy this through:

- ✓ A principal reduction (must be shown on the CD).
- ✓ Reducing the HSP grant amount (must be shown on the CD).
- ✓ Reducing other sources of funds.

*Principal reductions should generally be for minimal amounts. If the cash back to borrower is a larger amount, FHLBank recommends restructuring the loan prior to the loan closing to allow for a larger down payment.

HOUSEHOLD

I certify that all individuals who currently, or will, occupy the residence will be disclosed as household members in the Income Calculation Workbook (ICW).

- **All** individuals who currently or will live in the home must be identified and their income included to determine eligibility, even if they are not included on the home loan application.
- Children and non-borrowing adult occupants must be disclosed as household members. It is imperative that the authorized user interviews the homebuyer(s) and asks who will be occupying the home. Given that homebuyer(s) are not aware of HSP guidelines, it is the responsibility of the authorized user to ensure all occupants are disclosed appropriately.

REPAYMENT OF OTHER DEBT

I certify the HSP subsidy will not be used for repayment of other debt as part of the home purchase.

Payment of non-housing-related costs (i.e., debt collections, credit cards, etc.), as part of the home purchase is prohibited, regardless the amount of funds the homebuyer and/or other parties contributed to the transaction. If the Closing Disclosure indicates there is payment of non-housing-related costs as part of the home purchase:

- The amount paid toward the non-housing related costs will be deducted from the member's reimbursement of grant funds. *(Collecting those funds from the homebuyer and revising the Closing Disclosure is not an option to resolve the issue.)*

REFINANCING OF EXISTING LOANS

I certify the HSP subsidy will not be used to refinance an existing loan.

HSP subsidy may be used only for purchase transactions with permanent financing.

LOAN CLOSING

I certify the first mortgage loan will not close prior to a reservation status of "Reservation Request Eligible."

The first mortgage loan should close only after the reservation has been approved by FHLBank. Reservation approval is indicated by a reservation status of "Reservation Request Eligible." In addition, all contacts (authorized users) associated with the reservation will receive email confirmation immediately following approval of the reservation by FHLBank.

HOMEBUYER NAME AND PROPERTY ADDRESS

I certify that the homebuyer name and property address identified at reservation will match the homebuyer name and property address for the disbursement request.

Reservations cannot be transferred to other homebuyers or other properties.

MORTGAGE INTEREST RATE

I certify all mortgage interest rates will be at or below the FHLBank maximum interest rates in effect as of the date of closing.

- FHLBank maximum interest rates are posted in the Resources section of the HSP public web page.
- FHLBank updates interest rates the first Friday of each quarter.

LENDER FEES AND DISCOUNT POINTS

I certify the lender fees and discount points for all mortgages will be at or below FHLBank's maximum in effect as of the date of closing.

- Lender fees paid by the homebuyer, including origination fees, shall not exceed 3.0 percent of the loan amount.
- Loan discount fees paid by the homebuyer shall not exceed 3.0 percent of the loan amount.

PROCESSING FEES

I certify that processing fees will not be charged by any entity for providing the HSP subsidy to a household.

- Members or other entities may not charge a fee for processing and/or providing the HSP subsidy to the household.

FRONT RATIO

I certify the Front Ratio (FR) is within FHLBank Topeka guidelines based on the current loan projections and provided income documentation.

- The FR may not exceed 38 percent.
- The FR is calculated using the sum of the monthly principal, interest (including subordinate mortgages), property taxes, property insurance, other housing-related fees (e.g., homeowner's association fees, flood insurance, private mortgage insurance, etc.) divided by the household's monthly income.
- The FR will be determined using FHLBank's qualifying income calculation.
- The FR will be reviewed at reservation and disbursement.
- This guideline is for HSP. HSP+ does not have a FR guideline.

HOUSEHOLD INCOME ELIGIBILITY

Member certifies, at the time of reservation, the Income Calculation Workbook accurately represents income from **all** household members. FHLBank reserves the right to request supporting documentation to verify any or all income calculations and member certifications.

Household: Includes **all** the individuals who currently, or will, occupy the house or residence.

All household members must be disclosed, including non-borrowing adults and minor children.

Co-borrowers and co-owners must occupy the house or residence and their income must be included to determine eligibility. If a co-borrower or co-owner will not occupy the residence, the household is ineligible to receive HSP subsidy.

FYI

The Income Calculation Workbook (ICW) may be updated from time to time. Open the ICW from the TurnKey public website for each reservation. **Do not save the ICW to your desktop to use for multiple households.**

If the current version of the ICW is not submitted with the reservation, approval will be delayed.

Household income is calculated based on the household's current annualized income at reservation submission. Household income must be at or below 80% of the **Area Median Income (AMI)** for the county in which the home is being purchased. HSP Online uses the United States Department of Agriculture (USDA) published median income for the area and adjusts for household size to determine the household's percentage of the AMI.

The HSP Reservation and home loan application may have different requirements that should be addressed separately. ALL individuals who currently or will live in the home must be identified and their income included to determine eligibility, even if they are not included on the home loan application. Loan guidelines do not supersede HSP guidelines.

The best way to ensure a reservation request is approved quickly, is to complete the Income Calculation Workbook (ICW) accurately based on income documentation that meets TurnKey income calculation guidelines. Allow FHLBank **15** calendar days to provide reservation approval. If additional documentation or corrections are required, the approval may take longer than 15 days. Schedule loan closings accordingly. Reservations, including clarification submissions, are reviewed in the order of receipt. **Requests to expedite reviews will not be honored.**

Refer to the AHP/TurnKey Income Calculation Guide, on the TurnKey public website, www.fhlbtopeka.com/turnkey for income documentation requirements and instruction for completing the ICW.

INCOME FAQs

Q: My homebuyer's significant other and children will be living in the home. The significant other will not be a borrower on the loan. Do I need to disclose all these individuals as household members?

A: Yes, all individuals (and their income) that currently or will occupy the home must be disclosed as household members, including non-borrowing adults and children.

Q: What type of income should be disclosed for the reservation?

A: All household income should be disclosed. This includes, but is not limited to, full-time and part-time employment income, seasonal income, unemployment benefits, non-employment income such as social security, child support, alimony, retirement benefits, self-employment, etc.

Q: I'm working with a homebuyer that is getting married next month, should the fiancée's income be included as part of the household income?

A: Yes, the fiancée's income should be included as part of the household income. **ALL** individuals that intend to occupy the home must be disclosed and their income included.

Q: How many paystubs are required to calculate income for an hourly wage or salaried homebuyer?

A: One paystub is required, please do not submit multiple paystubs. The paystub must meet the following requirements to complete the ICW:

- Represents at least 28 days of YTD earnings;
- Includes a breakdown of all YTD earnings;
- Accurately represents a typical pay period;
- Is dated within 60 days prior to the reservation submission date;
- Identifiable employer name and homebuyer name;
- Discloses pay period dates, pay frequency, pay date, wage/salary and hours worked/paid.

Q: When completing the ICW, why is bonus, overtime, commission, tips, shift differential, etc. included in the YTD Other Income cell when I have already included it in the YTD Total Income? Isn't that counting it twice?

A: No, the ICW consists of two separate income calculations, the YTD Earnings, and the Base Wages. The income entered in the YTD Other Income cell is part of the Base Wages calculation.

Q: If a homebuyer typically works 40 hours a week, but the paystub that was provided to me shows 8 hours of Holiday Pay for a total of 48 hours paid for the week. Can I complete the Hours/Week cell with 40?

A: No, If the paystub provided demonstrates the homebuyer was paid for 48 hours at the regular wage, the Hours/Week should be completed as 48. If it is not typical for the homebuyer to be paid 48 hours a week, do not submit that paystub. Obtain a paystub that accurately represents a typical pay period.

Q: How many years of tax returns do I provide for self-employed homebuyers?

A: Only the previous year signed, tax return is required. Provide all pages and schedules. Do not provide multiple tax returns. If the self-employment started in the current year, the FHLBank YTD Profit and Loss Statement must be completed and signed by the homebuyer.

For additional income calculation requirements, refer to the AHP/TurnKey Income Calculation Guide on the TurnKey public website, www.fhlbtopeka.com/turnkey.

Q: I am working with a homebuyer that has an employment contract. The home purchase will be completed before the start date of the new position. How do I document this homebuyer's income?

A: If the homebuyer is currently employed, provide one paystub or a VOE from the homebuyer's current employer (employer at the time the reservation is submitted). If the homebuyer is unemployed at the time of reservation submission but has a contract to start employment on a future date, provide the employment contract. Job offers will not be accepted.

Q: How do you calculate income if a bonus was received early in the year and it is a one-time bonus?

A: All income earned YTD will be annualized in the absence of documentation from the employer that states otherwise. If the employer can provide documentation, in writing, stating the bonus is received once a year and no other bonuses will be received for the remainder of the calendar year, it may be removed from the YTD Total Income and YTD Other Income cells and shown as a one-time earning in the ICW. **Overtime cannot be removed from the annualization.**

Q: I am working with a homebuyer that is purchasing a duplex. The homebuyer will be living in one side and renting the other side to a tenant. Does rental income need to be disclosed as income in the income calculation?

A: Yes, the current or anticipated rental income must be disclosed and included in the income calculation. The current executed and signed lease agreement should be provided. If there is no current lease agreement, an appraisal is needed. See the AHP/TurnKey Income Calculation Guide for detailed requirements. For multifamily home purchases, rental income must always be disclosed.

If HSP funds are used to pay for all or part of purchase-related repairs, the repairs must be documented on the Closing Disclosure by one of the two methods identified below:

Option 1: Escrow

Repair expenses are held in escrow and disbursed by the member or closing agent.

- The funds held in escrow must be shown on the Closing Disclosure.
- An estimate from the contractor or vendor for the repairs and a detailed list of the repairs must be provided to FHLBank at Disbursement Request submission. Printouts of online shopping carts, home inspection reports, appraisal requirements, etc. will not be accepted as estimates. In addition, estimates should not be prepared or altered by the member or homebuyer.
- The estimate shall document the address of the property in which the repairs are to be made.
- Any unused funds must be applied to the new first mortgage as a principal reduction or held in escrow to be applied towards future payments.

Option 2: Paid at Closing

Repair expenses are listed on the Closing Disclosure.

- The repairs are listed on the Closing Disclosure, detailing the repair, as well as the cost for that specific repair.
- Copies of paid invoices and/or receipts detailing the repairs and cost of the repairs must be provided to FHLBank at Disbursement Request submission.
- The invoices or receipts shall match the vendor, amount, and repair type documented on the Closing Disclosure. Printouts of online shopping carts, non-detailed cash register receipts, home inspection reports, appraisal requirements, etc. will not be accepted as invoices. In addition, invoices should not be prepared or altered by the member or homebuyer.

HSP funds to be used for purchase-related repairs may not be disbursed to the homebuyer at closing.

INELIGIBLE USES OF SUBSIDY

As described previously and summarized below, ineligible uses of grant funds include, but are not limited to:

- Transactions for homebuyers that do not meet the FHLBank first-time homebuyer definition;
- Transactions that include a non-occupying co-borrower or co-owner;
- Transactions in which all household members and income have not been disclosed.
- Cash back to the homebuyer exceeding \$250.00 at closing;
- Payment of non-housing-related costs (debt collections, credit cards, etc.);
- Transactions in which the household's front ratio exceeds 38%, based on FHLBank's qualifying income calculation; This guideline does not apply to HSP+.
- Refinance transactions;
- Home purchases closed prior to FHLBank's approval of the reservation (a status of "Reservation Request Eligible");
- Home purchases for properties not identified at the time of reservation submission;
- Transactions in which the mortgage interest rate(s) exceed the FHLBank maximum interest rate(s) in effect as of the date of closing;
- Transactions in which the lender fees and/or discount points exceed FHLBank's maximum guidelines;
- Transactions in which a processing fee was charged by any entity for providing the HSP subsidy to the household;
- Homebuyer education costs that have been covered by another source or that exceed \$500.00;
- Home purchases for properties outside of FHLBank Topeka's district.

HOMEBUYER EDUCATION

Homebuyer education is required for HSP and HSP+. FHLBank will accept certificates from providers approved by the organizations listed below. In general, if the homebuyer education provider is accepted by Fannie Mae or Freddie Mac, FHLBank will accept the course. This includes the online courses CreditSmart, Framework and Homeview.

- United States Department of Housing and Urban Development (HUD)
- National Industry Standards of Homeownership Education and Counseling
- Federal National Mortgage Association (Fannie Mae)
- Federal Home Loan Mortgage Corporation (Freddie Mac)
- Habitat for Humanity

If Homebuyer Education is taken through an online platform, such as EHomeAmerica, ensure the provider meets FHLBank Requirements. EHomeAmerica is not the Homebuyer Education provider.

FHLBank recommends the required homebuyer education course be taken prior to the loan closing. If the homebuyer does not complete a homebuyer education course, FHLBank will not fund the disbursement request.

Homebuyer Education must be completed within the current or previous calendar year of the purchase closing. Ensure the date of course completion is stated on the homebuyer education certificate.

Only one adult household member must complete the homebuyer education course and be named on the certificate.

If the homebuyer education course is taken in a classroom or face-to-face setting, the certificate must be signed by the provider. If the course is taken online, neither a signature from the homebuyer or provider is required.

HSP grant funds may be used to cover the cost of the homebuyer education if:

- The cost of the course does not exceed \$500.00.
- The cost has not been covered by another funding source.
- The cost is identified on the Closing Disclosure.

RESERVATION OF FUNDS

Reservations for HSP funds may be submitted beginning March 4, 2024, by registered members. HSP grant funds are available on a first-come, first-served basis. Reservation requests must identify a specific homebuyer and a specific property address as listed on the purchase agreement.

Reservation requests are accepted through HSP Online. The member must submit the Income Calculation Workbook (ICW) and income documentation through HSP Online to reserve funds.

Reservations are reviewed in the order of receipt. **Requests to expedite a reservation review/approval will not be honored.** Allow 15 calendar days for FHLBank to review the reservation. If clarification must be sent for corrections, additional documentation, information, etc. the approval will take longer. Schedule loan closings accordingly.

Reservations may be started and saved to complete later if the “Reservation Initiation Information” and “Additional Member Contacts” screens are complete. Once these two screens are complete:

- *The reservation’s status will change to “Reservation Request Pending;”*
- *Funds are reserved at this point.*

FHLBank cannot review Reservation Requests with a status of “Reservation Request Pending.”

Pending Reservations must be submitted within one day of initiation. If not submitted in one day, HSP Online will expire the reservation and a new reservation will need to be initiated and submitted. Complete all screens (indicated by a green checkmark) and select “Submit” on the Reservation Home screen. Once the request is submitted:

- *The status will change to “Reservation Request Submitted;”*
- *All selected contacts for the reservation will receive an email confirming submission;*
- *The reservation is no longer editable by the member.*

FYI:

If a member has outstanding Reservation or Disbursement Requests from the 2023 HSP or High-Cost Area HSP, the member may not participate in the 2024 HSP until the 2023 Reservations and/or Disbursements are funded or withdrawn.

The purchase contract and home loan application can be dated prior to the reservation submission date; however, the loan application and purchase contract are not reviewed by FHLBank and should not be submitted to FHLBank.

Once FHLBank’s review of the reservation request is complete, the status of the reservation request will change to “Reservation Request Eligible,” “Reservation Request Clarification Pending,” or “Reservation Request Ineligible.”

- If the reservation request is approved, the disbursement request must be submitted within 90 days of the reservation approval (status of “Reservation Request Eligible”).
- If the disbursement request is not received within 90 days of the reservation approval, HSP Online will withdraw the reservation resulting in funds no longer being reserved for the household. The expiration date is included on the Dashboard and on the Timeline screen in HSP Online.
- If clarification is requested (“Reservation Request Clarification Pending”), responding to the request promptly will help to ensure the reservation is approved in a timely manner.

Know the Difference:

Pending: A reservation with a status of “Reservation Request Pending” will expire if the reservation is not submitted to FHLBank within one calendar day. For example, if a reservation request is initiated on Tuesday, it must be submitted by end of day Wednesday. **Reservations with a status of “Pending” have not been submitted and cannot be reviewed by FHLBank.**

Submitted: A reservation with a status of “Reservation Request Submitted” can be reviewed by FHLBank.

Expired: A reservation with a status of “Reservation Request Expired” means the reservation is no longer active and funds are no longer reserved for the household.

FHLBank’s approval determination may be delayed when a request:

- Includes multiple and/or complex clarifications;
- Includes incorrect or missing documentation;
- Includes income documentation in excess of what is required;
- Has a lengthy timeframe between a request for clarification and submission of the clarification.

Timely response from the member is required. FHLBank may, at its discretion, withdraw Requests for which FHLBank has not received the requested additional information, correction, or clarification of submission within thirty days of FHLBank’s request.

Remember: FHLBank cannot review reservations or disbursements with a status of “Pending.”

DISBURSEMENT OF FUNDS

Disbursement Requests for HSP funds may be submitted after the Reservation Request status is “Reservation Request Eligible” and after the loan has been closed. Disbursement requests must be submitted within 90 days of a status of “Reservation Request Eligible” or the reservation will expire, and funds will no longer be reserved for the household. The expiration date is included on the Dashboard and Timeline screen in HSP Online. In addition, all contacts associated with the reservation will receive a reminder email 30 days prior to the grant expiration date. **It is the member’s sole responsibility to monitor the 90-day submission requirement.**

Disbursement of Funds must be requested through HSP Online and the following documentation provided:

- Final, signed Closing Disclosure
- Recorded Real Estate Retention Agreement
- Homebuyer Education Certificate
- Repair estimates/paid invoices (if applicable)
- Grant/forgivable loan or second mortgage documentation (if applicable)

A Disbursement Request does not have to be started and completed in one sitting. If started, be sure to save frequently. When coming back to work on a Disbursement Request or when responding to a Clarification Request from an HCD Analyst, be sure to select the Disbursement Number on the Dashboard, not the Reservation Number. The Disbursement screens are not visible if the Reservation Number is selected.

FHLBank cannot review Disbursement Requests with a status of “Disbursement Request Pending.”

Disbursements requests in “Disbursement Request Pending” status will expire and must be submitted prior to the reservation expiration date. Complete all screens (indicated by a green checkmark) and select “Submit” on the Disbursement Home screen. Once the request is submitted:

- *The status will change to “Disbursement Request Submitted;”*
- *All selected contacts for the disbursement will receive an email confirming submission;*
- *The disbursement is no longer editable by the member.*

GRANTS/FORGIVABLE LOANS AND SECOND MORTGAGES

If there are other grants/forgivable loans or second mortgages included in the transaction, the corresponding documentation must be submitted. The documentation should be obtained from the provider of the grant/forgivable loan or from the second or subsequent mortgage lender. Documentation for grants/forgivable loans should include:

- Terms of repayment; or
- Verification that no repayment is required;

Documentation for second mortgages should include:

- Loan Amount;
- APR;
- Loan Term;
- Interest Rate;
- Borrower Paid Origination Charges;
- Discount Points.

Know the Difference:

Grant: Payments made to the household with no requirement or expectation of repayment. **DO NOT INCLUDE THE HSP GRANT IN THIS AMOUNT** in HSP Online.

Forgivable Loans: 1) If forgivable – The loan forgiveness might be structured to occur at one point in time (such as at the end of the affordability period) or forgiven incrementally (such as forgiving one-fifth of the loan each year over five years). 2) If repayable – Repayment might be required at the sale or transfer of the property or at the end of a fixed period of time. These loans are also referred to as “soft seconds.”

COMBINING HSP AND HSP+ WITH OTHER FUNDING SOURCES

HSP subsidy may be combined with other federal, state, and/or local grants or loans. A wide range of mortgage programs including Conventional, FHA, VA and USDA Rural Development can include HSP subsidy; however, TurnKey program (HSP, HSP+ and HOPE) subsidies may not be stacked and applied to the same transaction. Members should check with the secondary market investor regarding requirements for purchasing first mortgage loans where there is a recorded retention agreement on the property from a down payment assistance subsidy.

HSP guidelines, as well as lender and investor guidelines, must be followed. **Lender, investor and guidelines for other sources of funds do not supersede HSP guidelines.**

FHLBank Tax ID: 48-0561319

- **Members are not required to hold the HSP recipient’s first mortgage in their portfolios or sell them to FHLBank’s Mortgage Partnership Finance (MPF) program.**
- **HSP does not have credit score requirements or purchase price limits.**
- **HSP does not have a loan to value guideline.**

PREPARATION OF THE CLOSING DISCLOSURE

Details of the homebuyer's loan must meet the following requirements:

- The loan closing date is not prior to reservation approval (status "Reservation Request Eligible");
- The property address on the Closing Disclosure (CD) matches the property address for which funds were reserved. Contact FHLBank prior to closing if the reservation does not include the correct address;

- The first mortgage loan term is between five and 40 years;
- All mortgage interest rates are at or below the FHLBank maximum interest rates in effect as the date of closing. FHLBank maximum interest rates are posted in the Resources section of the TurnKey public website;

- Discount points paid by the homebuyer do not exceed 3% of the mortgage loan amount;
- The homebuyer Education fee does not exceed \$500.00;
- The subsidy amount shown on the CD does not exceed the subsidy amount reserved;
- The subsidy amount shown on the CD is not less than \$2,500.00;
- The subsidy amount shown on the CD does not exceed \$15,000.00 and HSP+ subsidy does not exceed \$25,000.00;
- The HSP subsidy is labeled "HSP Grant" or something similar that demonstrates positive identification of the subsidy. **Do not label the grant as "second mortgage" or "gift funds";**
- The loan terms and loan information sections of the CD (amount, interest rate, term, product, etc.) are filled out completely;
- A processing fee is not being charged by any entity for providing the subsidy to the household;
- The subsidy is not being used for non-housing-related costs (debt collections, credit card payoffs, car loan payoffs, etc.);
- The household will not receive cash back in excess of \$250.00 at closing;
- Non-occupying co-borrowers and co-owners are not part of the transaction;
- The front ratio does not exceed 38% based on FHLBank's qualifying income calculation (This guideline is not required for HSP+).
- The final CD is signed by all borrowers shown on the CD.

Ineligible use of HSP funds and/or providing funds to an ineligible household may result in a reduction or denial of disbursement.

- Recorded Real Estate Retention Agreement

REAL ESTATE RETENTION AGREEMENT REQUIREMENTS

The homebuyer must agree to a five-year retention period, to maintain ownership of the property for a period of five years from the closing date or potentially repay a prorated share of HSP funds. The amount of the subsidy declines 1/60th each month for 60 consecutive months and is then forgiven.

The retention period commences on the date the loan is closed.

The [Real Estate Retention Agreement](#) (RERA) must reference the property address and legal description of the property being purchased. All required fields must be completed (dates, names, etc.).

FHLBank recommends the RERA be signed at the loan closing and recorded immediately following the loan closing. The RERA should be recorded separately from other documents. A copy of the recorded RERA must be provided with the submission of the HSP Online disbursement request. **Do not submit a disbursement request until the recorded RERA can be provided.**

Use the current version of the RERA. Obtain a RERA from the TurnKey public website, www.fhlbtopeka.com/turnkey for each household to ensure submission of the current version. **DO NOT** save FHLBank documents on your computer to be reused for multiple households.

DO NOT MAIL THE ORIGINAL RERA TO FHLBANK. The copy uploaded to HSP Online with the disbursement request meets FHLBank requirements.

If the RERA is submitted to FHLBank and it is not completed correctly, FHLBank will request corrections to be made and acknowledged (initialed) by the homebuyer and/or notary. The corrected and acknowledged RERA will be required to be re-recorded. The disbursement request will not be approved until the RERA meets FHLBank's criteria. If the disbursement request is denied or the grant amount is modified, the member will be required to record a release or of the RERA. In the instance that a release is necessary, FHLBank will not approve the disbursement request until a copy of the recorded release **and** a copy of the newly executed and recorded RERA (if required) have been received and reviewed. A sample RERA to assist with completing the document correctly is available on the TurnKey public website.

REPAYMENT OF SUBSIDY

In the case of a sale, transfer, assignment of title or deed, or refinancing of the home by the household during the retention period, a portion of the HSP subsidy may be required to be repaid to FHLBank unless one of the exceptions listed below applies. Contact FHLBank to determine the repayment amount.

- The unit was assisted with a permanent mortgage loan funded by an AHP subsidized advance;
- The unit is sold, transferred, or assigned to a very low-, low-, or moderate-income household, or proxy for such household, as defined in FHLBank's AHP IP;
- The amount of the HSP subsidy required to be repaid is \$2,500 or less;
- Following a refinancing, the unit continues to be subject to a deed restriction or other legally enforceable retention agreement or mechanism;
- The obligation to repay the HSP subsidy to FHLBank terminates after any foreclosure, deed-in-lieu of foreclosure, assignment to the Secretary of the U.S. Department of Housing and Urban Development, or the death of the homeowner.

CALCULATING REPAYMENT OF SUBSIDY

If the property is sold before the end of the retention period, the repayment amount shall be the lesser of:

- The HSP subsidy, reduced on a pro rata basis per month until the unit is sold, transferred, or its title or deed transferred, or is refinanced, during the HSP five-year retention period;
- Any Net Proceeds, as defined in the AHP IP, from the sale, transfer, or assignment of title or deed of the unit, or the refinancing, as applicable, minus the HSP-assisted Household's Investment as defined in the AHP IP.

**It is important for the homebuyer to save documentation of capital improvements made during ownership of the property.*

REFINANCING AND HOME EQUITY LOANS

- FHLBank Topeka will subordinate the RERA if the homebuyer wishes to refinance their first mortgage or wishes to establish a home equity loan.
- To obtain a RERA release, payoff, or subordination, complete a Request for Repayment Quote Form found on the FHLBank public website under "Services and Programs."

For questions regarding payoffs, releases and subordinations of FHLBank's RERA, contact Housing and Community Development at 1.866.571.8155 or via email at HousingPayoffRelease@fhlbtopeka.com.
